

SHIVAM KUMAR

Bihar, IN | P: +91 8409572083 | mailtoshivam2002@gmail.com

EDUCATION

MITHILA UNIVERSITY

Bachelors in Science

Major in Mathematics; Minors in Mathematics and Physics

Relevant Coursework: Full Stack Web Development, Kyp(Kushal yuva Program), Algorithm

Bihar, IN

Jul 2019 - Jul 2022

WORK EXPERIENCE

[Helo.ai](#)

Software Engineer (Full-time)

Thane, IN

Dec 2025 – Present

- Developed and enhanced user-facing features using **React.js** and **TypeScript**, focusing on performance, scalability, and clean component architecture..
- Worked with modern React patterns including **hooks**, **context**, and **Redux / async state handling** to build maintainable UI flows.

Techtonic Enterprised Pvt Ltd

Jr Full Stack Developer (Full-time)

Delhi, IN

Sept 2023 – Dec2025

- Led frontend development for enterprise **CRM, CMS, and admin dashboards** using **React.js**, supporting complex business workflows and large user bases..
- Built a **custom CMS frontend** with content creation, approval, and publishing workflows, using **reusable component architecture** and modern React patterns.
- Implemented **Redux / Redux Toolkit** for scalable global state management, handling async API flows across multi-module applications.
- Designed and maintained **hierarchical, role-based UI and navigation** supporting **8+ user levels**, ensuring permission-driven access and actions.
- Optimized frontend performance using **lazy loading, code splitting, and render optimization**, reducing application load time from **minutes to seconds**.

Sixwarded Technology

Internship

Bengaluru, IN

April 2023 – Sep 2023

- Gained hands-on experience with React through a structured internship, including working with components, state management, and lifecycle methods.
- Developed a project using React, applying key concepts such as functional components, hooks, and context API to build interactive and responsive user interfaces.

YAV TECHNOLOGIES

Full Stack Web Development (Certification)

Bengaluru, IN

April 2022 – Aug 2023

- Completed **Full Stack Web Development certification** covering **React.js** for frontend development and **Node.js / Express** for backend services.
- Built end-to-end web applications with **REST API integration**, handling authentication, data flow, and error management.

TECHNICAL SKILLS

- **Languages:** JavaScript/TypeScript , Html, Css, Tailwind Css, Jest
- **Frameworks:** React/Next.js, Node.js/Express, [Express.js](#), Astro.js
